Invitation to Sponsors & Exhibitors

The OSU Wooster Campus will be home to the 5th Annual Scarlet, Gray and Green Fair on Tuesday, April 17, 2012 from 11:30am – 6:30pm. This festival celebrates, educates and demonstrates that “Green is for Life!” Free to the public, the fair features exhibits, demonstrations, student contests and food vendors in a fun-filled indoor and outdoor environment.

The 2011 Scarlet, Gray and Green Fair was a signature community event featuring nearly 70 exhibitors and 2000 attendees. If you were an exhibitor last year, thanks again for your participation. If not, you are invited to join the growing number of companies and organizations demonstrating their commitment to, and support of, a healthier environment and a more sustainable society. As an exhibitor, you can:

- Promote your environmentally friendly company or organization;
- Demonstrate how your company or organization has made the commitment to go green;
- Market and sell your environmental products; and/or
- Create an environmental and educational exhibit to inspire your employees and the public.

The deadline for registration is February 24, 2012. Register early to secure your INDOOR booth! Space is limited and **locations are assigned on a first come, first serve basis.**

For additional information, contact Gwen Covert at 330.263.3700, or covert.25@osu.edu, or visit <http://www.wcsen.org/wcsggf>.

Financial sponsors may qualify for free booth space. Please contact Todd Imhoff at 419.282.9800 x2307 or timhoff@buehlers.com for more information about sponsorship opportunities.

Thank you.
