

Working with Chambers to help small businesses succeed.

A Patriot Software partnership with your Chamber of Commerce will help you and your members succeed by offering low cost, online time and attendance, payroll, and accounting software. You can join the Royalty Program for FREE and start receiving the many benefits of partnership.

Benefits of Partnership

FREE Full Service payroll for your Chamber
(up to 10 employees free—a \$730/ year value)

Non-dues revenue
(earn 5% of member spending each month)

Discounts for your members
(2 month free trial, 10% discount for 24 months)

FREE setup & support based in the USA
(payroll and accounting software)

**Marketing resources to reach
your membership**

Dedicated Royalty Program support team

Our purpose is to help you and your small business members find success.

Our Royalty Program team is here to help initiate this program and answer any questions. We are available via phone, chat, or email.
